

24 Module SafeHarbor2 Notebook/Tablet Security Cart

Model # DS-SHC2-24

Power supply bricks
and cabling in secure
side compartment

- Secures and charges up to 24 notebooks or tablets in a very small footprint
- Drill resistant, pick-proof two-point locking system ensures highest protection against theft and damage
- Electronic power controller directs power to zones, optimizing charging for available power
- Unique ID feature lets customers customize each cart
- Dividers are removable and adjustable in ¼" increments, allowing for cases and future technology changes
- Easy to move and easy to maneuver: 5" silent soft-ride heavy duty, all swiveling and all lockable rubber wheels
- Separate compartments for power supply bricks, cabling and switch: neat and organized
- Two ETL-listed 12 outlet power strips and a single 15 foot exit cord
- Module dimensions: 13 ¼"H x 18 1/2"D x 1 ¾"W
- Overall dimensions: 38"H x 23 ¼"D x 31"W (add 7 ¾" to the width for ergonomic handles)
- Weight: 154 lbs.
- Proudly made in the USA with durable welded steel
