

# 36 Module SafeHarbor2 Notebook/Tablet Security Cart

## Model #DS-SHC2-36

- Secures and charges up to 36 notebooks or tablets in a very small footprint
- Drill resistant, pick-proof two-point locking system ensures highest protection against theft and damage
- Electronic power controller directs power to zones, optimizing charging for available power
- Unique ID feature lets customers customize each cart
- Dividers are removable and adjustable in ¼" increments, allowing for cases and future technology changes
- Easy to move and easy to maneuver: 5" silent soft-ride heavy duty, all swiveling and all lockable rubber wheels
- Separate compartments for power supply bricks, cabling and switch: neat and organized
- Three ETL-listed 12 outlet power strips and a single 15 foot exit cord
- Module dimensions: 13 ¼"H x 18 1/2"D x 1 ¾"W
- Overall dimensions: 39"H x 22 ½"D x 41"W (add 10" to the width for ergonomic handles)
- Weight: 265 lbs.
- Proudly made in the USA with durable welded steel
